## Powercom

Powercom is the original and unmistakable entrance panel created by Comelit which changes the face of design and the way of working in the sector. Its exclusive blue LED night lighting gives the entrance panel magic charm.

Simple, strong and clean-cut lines, attractive colours and top quality materials, such as the frames, the cornices in aluminum and the fronts made of stainless steel make Powercom an entrance panel which combines sturdiness with style. The entrance panel is certified IP54 (protection index).
